The Aubrey Chaparrals Embrace Their Hometown Like None Other

Q&A

WITH

STEVE OWENS

Q. How did you get involved at Aubrey High School?

"Both of my children were raised in Aubrey from birth. My son played sports and my daughter was involved in many activities sponsored by the school district. My wife and I have always opened our home to the kids in AISD and by doing that I built a strong relationship with many of the kids which has kept me coming back, serving primarily the football team but volunteering for the other sports in the district as well."

Q. What makes the Aubrey Community Special?

"I have lived in Aubrey since about 2000. I grew up in Denton, Texas but my father owned land in Aubrey since 1978 and started Owens Welding Service in Aubrey in 1984. I spent every summer running the streets of Aubrey and eventually working for my father upon graduation in 1992. Even though I grew up in Denton most people think I grew up in Aubrey. After my father retired I bought his business in 2015 and continue to operate it in this small town. The people of the community are what make Aubrey Special. Even though it has grown significantly it is still filled with many special people."

Q. What is your proudest moment as a member of the Aubrey Community?

"I am proud to say my children attended AISD from kindergarten until high school graduation, which doesn't happen much anymore. The community members who serve on the school board, the AISD staff and coaches played a big role in shaping my children into the successful individuals they are today. The wonderful people in this community have supported my local, small business and made it what it is today. I couldn't imagine raising my family and running my small business anywhere else in Texas."

CONNECTING WITH Coach Keith Ivy

Q. Who is your Community Connector selection and how are they involved with the program/ local community?

“Steve Owens is our selection. Steve has been very involved in our community and with our athletic program. He has spent numerous hours donating his time and energy to help in several ways. He has driven our equipment trailer to every game for the past 11 seasons in football. He also helps tape our players on game nights. He has also volunteered with the baseball program building fence and helped renovate the dugouts.”

Q. What do you talk to your team about when you talk about representing your community, and how is your team involved with the community?

“We talk about the importance of our community and how special it is to us all. Our community is extremely involved with our school district and specifically our athletic program. We talk about giving back to the community and how important that it is for us all to be great role models for the community and younger kids that

Just as Optimum has been a source of keeping the community connected through its award-winning high-speed internet, Dave Campbell’s Texas Football has been a “bible” source for millions of football fans across the Lone Star State.

During this year’s Texas high school football season, Optimum is keeping score on local individuals who are making a difference in their community. As a result, Optimum is proud to have partnered with Dave Campbell’s Texas Football to do so.

Leveraging Dave Campbell’s insight and expertise in scouting, Optimum’s partnership with Dave Campbell’s Texas Football is nothing short of a “winning connection.” The partnership enabled the creation of the Community Connector Award in order to celebrate the achievements of community difference makers year-round – both on and off the field.

live here. Our players go to the elementary schools and open car doors in the morning, read books to those young kids and participate in our yearly town festival in October.”

Q. Why is it important to you to teach your young men about giving back to the community?

“Our community does so much for us and gives us a lot of attention throughout the school year.. To strengthen our community, it is very important that we are all involved in many capacities to give back to them.”

Q. What is unique about your school and community?

“We are a fast-growing community, and we have many different cultures moving in from all over the world. We are a very diverse community, and it is important for us to embrace this and welcome them to the Aubrey Chaparral family.”

Q. What does staying connected to the community mean to you?

“I personally believe that our community is the lifeline of our school district. We will only be as strong as our community is at the end of the day. I love our community and truly appreciate how much that they do for us all. It’s an unbelievable special place and we all cherish the fact that we all live here.”
