The Prosper Eagles Embrace Their Hometown Like None Other

Q&A WITH STEPHANIE BOOZER

Q. How did you get involved at Prosper High School?

"We have lived in Prosper since 2004 and I have been involved with 8 of the schools on different levels from raising money for boosters to substitute teaching. Most recently I have had the honor to be on THE PHS ETC (Eagle Touchdown Club) Board assisting the program and our coaches."

Q. What makes the Prosper Community Special?

"We are an extended family that is always there for one another no matter what, supporting each other through life."

Q. What is your proudest moment as a member of the Prosper Community?

"Drew Webb of PISD contacted me in 2017 that he had a senior McKayla Zimmerman that wanted to start a special needs dance for PHS students. Since then every year I have continued this dance for all JR High and High School PISD SPED children, their families and caregivers giving them a night to celebrate these amazing children. Allowing these parents and grandparents to see them with makeup on, hair fixed and dressed up dancing with their friends to our amazing DJ Justin Lambert. I have an amazing group of friends that help make this a success and many Prosper residents that donate to Shades of Hope to make this event a special memory for everyone."

CONNECTING WITH Coach Tyler Moore

Q. Who is your Community Connector selection and how are they involved with the program/ local community?

"Stephanie Boozer. Mrs. Boozer serves as a huge component of our booster club, she is always involved in making sure that our athletes have pre-game meals and spends a tremendous amount of time serving the program. She has also been instrumental in setting up opportunities for the team to build comradery."

Q. What do you talk to your team about when you talk about representing your community, and how is your team involved with the community?

"Our young men do a tremendous job of being involved with the younger generations in our community. Two of our core values are Service to Others & Honor the team. The main way that we meet these expectations is through interactions with our community. We stress how much of an impact we can have on the younger students in the district, and how much small acts of service means to the kids that look up to our athletes. The relationships

Just as Optimum has been a source of keeping the community connected through its award-winning high-speed internet, Dave Campbell's Texas Football has been a "bible" source for millions of football fans across the Lone Star State.

During this year's Texas high school football season, Optimum is keeping score on local individuals who are making a difference in their community. As a result, Optimum is proud to have partnered with Dave Campbell's Texas Football to do so.

Leveraging Dave Campbell's insight and expertise in scouting, Optimum's partnership with Dave Campbell's Texas Football is nothing short of a "winning connection." The partnership enabled the creation of the Community Connector Award in order to celebrate the achievements of community difference makers year-round - both on and off the field.

Optimum is a proud founder of this award as it celebrates committed students, teachers and parents who stay connected in their community and honor them for their generous hard work and support to make their community a better place.

that our young men form with the younger generations is an incredible testament to these values."

Q. Why is it important to you to teach your young men about giving back to the community?

"As previously stated, our #1 core value is Service to Others. We stress to our team that our lives need to be about more than ourselves to find true fulfillment. We believe that we can make a huge difference through small acts of service. Our community shows us tremendous support and love, and we want to return and honor that with our actions."

Q. What is unique about your school and community?

"Our community is unique because, despite the size and growth, we still maintain a small-town atmosphere. Our home games are packed with supporters, people set up tents and chairs over 24 hours before our homecoming parade to reserve spots and thousands show up to line the streets, and our community still takes pride in being Prosper Eagles."

Q. What does staying connected to the community mean to you?

"Staying connected to our community means giving back to those that support our team. Creating pride in our school and showing the next generation what it means to be a Prosper Eagle. We want the community to see how amazing our young men are as people and players."
