SAN ANGELO LAKE VIEW CHIEFS COMMUNITY CONNECTORS

CONNECTING WITH
Coach Hector Guevara

Q. Who is your Community Connector, and how are they involved with the program/community?

“Our Community Connector is Vicente Ramos. He is a pillar in our community and has been instrumental in supporting the growth of our Mariachi Band program, which is led by his brother, the Mariachi teacher. Vicente helps promote the program, encourages community involvement, and regularly supports local events, making a strong impact on students and families alike.”

Q. What do you talk to your team about when discussing how they represent their community, and how is your team involved in the community?

“We talk about the importance showing pride in our culture and community. Our team represents the community by being respectful, supportive, and involved in local events. For example, we participate in school activities, cultural celebrations, and support programs like the High School and Mariachi Bands.”

Q. Why is it important to teach your young men about giving back and being good stewards?

Just as Optimum has been a source of keeping the community connected through its award-winning high-speed internet, Dave Campbell's Texas Football has been a “bible” source for millions of football fans across the Lone Star State. During this year's Texas high school football season, Optimum is keeping score on local individuals who are making a difference in their community. As a result, Optimum is proud to have partnered with Dave Campbell's Texas Football to do so. Leveraging Dave Campbell's insight and expertise in scouting, Optimum's partnership with Dave Campbell's Texas Football is nothing short of a “winning connection.” The partnership enabled the creation of the Community Connector Award in order to celebrate the achievements of community difference makers year-round – both on and off the field.

**Optimum is proud to recognize
Vicente Ramos
for his contributions
to the community**

Optimum is a proud founder of this award as it celebrates committed students, teachers and parents who stay connected in their community and honor them for their generous hard work and support to make their community a better place.

“It's important because it helps them grow into responsible, respectful, and caring leaders. When young men learn to give back, they understand the value of community, gratitude, and service. It builds character and teaches them that they have the power to make a positive difference. Being good stewards means taking pride in where they come from and helping to create a better future for everyone around them.”

Q. What is unique about your school and community?

“Our school and community are like a big family. Everyone supports one another, and there's a strong sense of pride in our culture and traditions. Programs like our Mariachi Band bring people together and celebrate who we are. What makes us special is the way students, families, and staff all work together to lift each other up and create a positive environment where everyone feels they belong.”

Q. What does staying connected to the community mean to you?

“To me, staying connected to my community means staying grounded in where I come from and giving back to the people who helped shape me. It's about building relationships, showing up for others, and being part of something bigger than myself. It reminds me that we all have a role to play in lifting each other up and creating a stronger, more united community.”

WITH **Vicente Ramos**

Q. How did you get involved at Lake View High School?

“Lake View is part of my story. One of my kids attended Lake View, and my brother teaches at both Lake View and Lincoln Middle School. Supporting the school felt natural—it's part of my immediate community.”

Q. What makes the Lake View community special to you?

“It's the people. There's a strong sense of pride and unity here. Seeing programs like Mariachi grow and bring recognition to the school makes me proud to be part of something bigger than myself.”

Q. What is your proudest moment as a part of the Lake View community?

“Watching the Mariachi program flourish and knowing Vramos Roofing played a role in that growth. It's rewarding to see students gain confidence and the school receive positive attention because of the culture we're helping preserve and promote.”
